

Welcome

We're really glad you could join us! We hope you find warm friendship with us and clear practical help to follow Jesus. You might like to note the following

- Toilets are located at the rear of the Church
- A crèche room is available at the front of the church, and our ladies can care for kids 0-3 during the talk.
- If you have a hearing aid, switch it to "T" to access our induction loop.

For Your Prayer

- Pray for the country of Kenya. In Kenya, Christianity is the majority religion, but that hasn't stopped the spread of persecution. Particularly, Christians with a Muslim background in the northeast and coastal regions live under constant threat of attack – even from their closest relatives. Please pray for the Lord's continued grace for new believers in Kenya. Pray that through trials and persecution they would see the Lord's faithfulness. Pray for Christians in the northeast who face threats of deadly attacks from al-Shabaab. Pray that the church in Kenya would be equipped to disciple believers, train godly leaders and effectively share the gospel with their neighbours.
- Pray for COVID-19. As we come to 100 million cases worldwide keep in our prayers some of the countries that are badly affected but rarely are covered by our media – India, Brazil, Russia, Turkey and Colombia.
- Pray for our Church. That we would capture a vision for church where we preach & outreach, and we would become a place of prayer & care.
- Uni Students. Pray for those making decision about courses for the year. Pray especially for those moving into Newcastle for study and that we as a Church might be able to support them in their transition.
- Pray for the Presbyterian Church of Wee Waa as it makes their plans to minister to their region and as they seek to reach the lost in the State's North West.

What's Happening?

Focus for January – Prayer

Please be praying for our Church; that God would grow His church in this region, that God would use us to reach out with the gospel, that God would make us more like His Son Jesus, that God would give us a unity and a

passion to meet and encourage each other and that our love for God and His word would grow.

Church Services

Today marks the start of a new year as a Church. The school holidays are over and all our Church activities will start back again this week. So it would be great for us all to prioritise Church and Church attendance for this term. Why not aim to come every week up until Easter? Worship and teaching and fellowship are all vital for our Christian growth so now is the time to lock these things in to our regular routines and to ensure that we are walking with the Lord whatever this year throws at us.

Church Activities

There are opportunities to serve this year in kids' work, youth work, small groups, mission, evangelism, pastoral care, JOY, SPARKLERS and so much more. See Stephen, Jon, Suzie, Jo or one of the elders for more details.

Vision Sunday | Sunday 31st January

We are going to have a chance to catch Session's vision for the coming year this Sunday. This will involve the preaching at our services and our prayers for the day but also meetings throughout the Sunday where we can meet and talk about specific plans we have for the year ahead. Please come to as many as possible.

Home Groups

Would you like to have a regular time of teaching, fellowship and prayer? Then why not join a small group!

Breaking The Silence Top Up | Sunday 7th February 12pm

For all those who work with children within our Church there is a compulsory top up that needs to occur each year. This top up will be Charlestown Church and will go for 30 minutes. If you can't make it then there is a more comprehensive top up at <https://jerichoroad.org.au/breakingthesilence/resources/training/top-up-training/> See Letitia for more details.
