

Welcome

We're really glad you could join us! We hope you find warm friendship with us and clear practical help to follow Jesus. You might like to note the following

- Toilets are located at the rear of the Church
- A crèche room is available at the front of the church, and our ladies can care for kids 0-3 during the talk.
- If you have a hearing aid, switch it to "T" to access our induction loop.

For Your Prayer

- Pray for the country of North Korea. Pray that God will continue to provide for secret believers and keep them safe. Pray for believers who are imprisoned. Despite the risk, North Korean Christians share the gospel with others. Pray they will shine as lights in the darkest places on earth.
- Pray for COVID-19. Pray for government as they navigate the logistical nightmare which is rolling out vaccines to everyone in the country.
- Pray for Victoria as they debate The Victorian Change or Suppression (Conversion) Practices Prohibition Bill 2020 controversial legislation.
- Pray for the Parsons in Japan who write "We were recently able to get two new missionaries into Japan just before the borders were to close. Praise God for allowing them to arrive and serve in this unique COVID environment. Pray also for patience for those still unable to enter Japan. Simplified strategy... We recently discovered the need to simplify our strategy. Please pray that we will be able to develop and implement this strategy so it will help unite missionaries and see them become more effective in reaching Japan for Christ."

What's Happening?

Focus for February – Prayer

Our theme for the year is "God will build His church!" In 2020 we needed for safety reasons to emphasise health or family or nation or ourselves. But the Lord God is our King. He is the one that needs to come first. So we will open ourselves up to His work done by His Spirit through His church. This means we will again preach and teach Gospel Truth from His word. We will try and build back the connections we have in the church so that God's love is experienced by all. We ask that God will bring about real change in our

lives and in the life of the Church.

Church Services

From this weekend you no longer need to register to come to any of our four Church services. You only need to register if you are on a roster. The best way to do that is via Elevanto. For assistance please contact Liz.

How did Vision Sunday work for you (or not work for you?) Stephen and Jon are looking for feedback so please let give them both the brickbats and the bouquets.

Kid's Spot

A new weekly feature will be "Kids' Spot". It will feature what your kids will be learning at Kids' Church so that you can chat with your kids about what they learnt. The issue looked at this week is: Why do bad things happen to good people? Romans 8:28 is used to answer this telling us that even in suffering, God is working for the good of those who love him. If you would like to talk to your kids about this you might start with the question, "If we know that God is working our suffering for good, what should we do if bad things happen to us?"
