

Welcome

We're really glad you could join us! We hope you find warm friendship with us and clear practical help to follow Jesus. You might like to note the following

- Toilets are located at the rear of the Church
- A parents' room is available in the church. Care is provided in the cottage during the second half of the service for children 0-3 years.
- If you have a hearing aid, switch it to "T" to access our induction loop.

For Your Prayer

- Pray for the country of Somalia. Pray for the families of martyred believers. Ask they would be comforted by Jesus and find emotional healing. Ask that a strong church will grow amongst the Somali people as they rely on Jesus in all things. Pray those who are responsible for killing Christians will come to know Jesus.
- Pray for COVID-19. Pray the vaccine makers as they seek to find solutions to the more complex Sth African and UK strains. Pray that this doesn't delay the roll out of the vaccines. Pray for the ethically produced vaccines to get approval for our people.
- Pray for our Church. That our Church camp will be a time where we can reconnect with people we haven't seen in a while. That there will be a sense of enthusiasm as we meet together under God's word. That as we met with people from all four of our Church services there will be a great sense of unity and purpose in what we do as a Church.
- Pray for the victims of domestic violence. That they will have the courage to protect themselves and their families from danger, that they will get the support that they need going forward, and that the perpetrators will see their need to repent and change. Pray that in these difficult situations that the gospel of Jesus might be found and trusted in.
- Pray for Josh Montzka (Power to Change, Melbourne). Praise God for direction with the Son project. Praise God website developments are moving forward. Praise God for many in-person interactions. Praise God that He gave the gift of technology and the internet. Please pray for Josh's emotional needs to be met and his tank filled. Please pray the digital team's project would have wisdom and proceed in development. Please pray the website development would go smoothly with wisdom in decision making.

What's Happening?

Focus for February – Vision

One of the key themes that came out of our Vision Sunday was our need to emphasise the community aspects of the life of the church. To this end we would like you to consider how the Church camp can help facilitate such a community. We have produced a short video on FB and Youtube discussing how this might be achieved over the first weekend in March. Please watch it and see how you can help us achieve this worthy goal.

World Day of Prayer - Vanuatu | Friday 5th March 10am

The Bible Society Trauma Healing Program aims to bring understanding, care, healing and hope to many women of Vanuatu who have been traumatised by violence. The three part program helps survivors regain self-esteem and dignity, gives scripture engagement materials so the Word of God can provide strength and comfort and an education program which will develop literacy skills so women can make positive decisions that impact their families and society as a whole. A service will be held here at St. David's and is open to all. The Swansea version will be held at the Anglican Church in Swansea. See Annette Phillis for more information.

Church Camp | 6-7th March

Kids' Spot

The 4th big question about suffering we will look at in Kids church this week: What is God's ultimate plan? God's ultimate plan is to make a brand new, perfect, fixed up world where everyone who trusts Jesus will one day get to live with our great God. This gives us something to look forward to and a real hope. Question for the week: What are some of the amazing things that the Bible tells us will be in God's brand new, perfect, fixed up world?
