

Welcome

We're really glad you could join us! We hope you find warm friendship with us and clear practical help to follow Jesus. You might like to note the following

- Toilets are located at the rear of the Church
- A parents' room is available in the church. Care is provided in the cottage during the second half of the service for children 0-3 years.
- If you have a hearing aid, switch it to "T" to access our induction loop.

For Your Prayer

- Pray for the country of Iran. The Iranian government sees Christianity as a Western threat against the Islamic way of life. Pray for Christians who are currently imprisoned for their faith. Pray for wisdom for those who advocate for the rights of Christians, both within Iran and outside the country. Ask God to encourage believers who are isolated from other Christians.
- Pray for the COVID-19 response. Pray for the production of the Astra Zeneca vaccine in Australia. That will give us vaccine security but that it will also enable us to more generous to our neighbours in the Pacific and south east Asia.
- Pray for our Church. That we might make the most of Easter to talk to people about Jesus. That we will work hard to bring people to Church and connect with those who come to Church.
- Pray for the Applebys in Cambodia. Pray for Cambodia as the first wave of COVID-19 infections begins to grow in this country. Pray for schools as lockdowns appear likely. Pray for the missionaries in that country that they can show the love of God in the midst of these hard times.
- Pray for a change in the way our society sees sex. Away from freedom and permissiveness and back to a Christian view of sex within marriage

done in order to build bridges across the Church? This Sunday is not the last time we can have fellowship but it will be the last time we will encourage fellowship for a while. Next month our focus will be on family devotions.

Rosters

As we end one term our minds go onto creating the rosters to fill the next term. Before we do that can show our thankfulness to all those who put their hand up to help in many ways. It is much appreciated. Do you know that some people are on a roster every single week? Ideally it would be great if the most we were on a roster was once a fortnight and ideally once a month. But to do that we will need some people who are currently not on a roster to help out. If you can help please contact Liz or Stephen or Jon.

Kids' Church teachers and helpers needed

Planning for the rest of the year is happening for kids church and crèche. Starting from term 2, we will be returning to using the teaching programmes made by Kidswise and Teaching Little Ones. Due to many changes, we now are in short supply of teachers and helpers. Please would you prayerfully consider joining our team even if you attend the 9.15am or 6pm services. Training and support will be provided for anyone new to teaching kids. Please see Suzie if you are able to help.

Kids' Spot

The Bible shows us that the greatest swap in history is the one Jesus made for you and me. The first half of the greatest swap is where Jesus swapped his innocence for our guilt by taking all the wrong things that people do onto himself when he died on the cross. Because of this, everyone who trusts Jesus can now be friends with God. Question for the week: What is the 2nd half of the greatest swap in history that Jesus did for you and me?

Kids' Church

On Good Friday we will provide activities for our primary school children during the service. On Easter Sunday there will be a kids' talk and full Kids' Church programme for ages 0-12 and there will be a holiday programme for 0-12 year olds during the rest of the Easter break.
