

Welcome

We're really glad you could join us! We hope you find warm friendship with us and clear practical help to follow Jesus. You might like to note the following

- Toilets are located at the rear of the Church
- Kids' Church begins about 10am and goes until the end of the service
- A parents' room is available in the church. Care is provided in the cottage during the second half of the service for children 0-3 years.
- If you have a hearing aid, switch it to "T" to access our induction loop.

For Your Prayer

- Pray for Iraq: Pray for evil and terror to be overcome by the power and love of Christ and His people. Pray for the Gospel message to break through hearts hardened by long standing divisions and intense rivalries. Pray for believers to courageously stand firm in their faith despite persecution and terror.
- Pray for our government leaders: Pray they will defend truth and righteousness. Pray they will seek peace and wisdom. Pray God will guide them as they guide us.
- Pray for Samaritan's Purse: Give thanks for the donations of Christmas boxes and pray for God's blessing on these boxes as they begin their journey. Pray that the gospel will be shared through these gifts and that many will accept the invitation to the discipleship course. Give thanks for disaster flood relief done by Samaritan's Purse – currently assisting churches in Echuca Victoria.

What's Happening?

Focus for November – One2One

"Paul says to Titus, Likewise, teach the older women to be reverent in the way they live, not to be slanderers or addicted to much wine, but to teach what is good. Then they can urge the younger women to love their husbands and children, to be self-controlled and pure, to be busy at home, to be kind," (Titus 2:4,5) There is a role of older women to meet with younger women. But there is also a role for older men and younger men, two people of the same age, for an older believer and a newer believer and many other pairs of people to meet and encourage each other in the Christian faith. Is that something you could do? If so who might you meet with?

Church Redevelopment

The Building Working Group continues to look for an option that will suit both our future and our budget. Please keep praying for them as they come closer to finding a solution to present to the congregation.
